

[Paint Iot (Data Storage)]

Information Notice

in connection with Articles 3(2) of the EU Data Act
(Regulation (EU) 2023/2854 of the European Parliament and of the Council of 13
December 2023 on harmonised rules on fair access and use and amending Regulation
(EU) 2027/2394 and Directive (EU) 2020/1828)

We, Kawasaki Heavy Industries, Ltd., provide you (hereinafter referred to as “User”) with the following information in connection with the Paint Iot (Data Storage) which you purchase, rent, or lease in the EU (hereinafter referred to as “Connected Product”) in accordance with Article 3(2) of the Regulation (EU) 2023/2854 (the “EU Data Act”).

I. Information about Connected Products (Article 3(2) of the EU Data Act)

- (a) The type, format and estimated volume of product data within the meaning of the EU Data Act which the Connected Product is capable of generating.

Type	Format	Estimated volume
Position Command Value	csv Format	Approximately Up to 48MB/Data
Current Position Value		
Electric Current Value		
Painting Data		

- (b) Whether the Connected Product is capable of generating data continuously and in real-time.

Continuously	Yes
In real time	Yes

- (c) Whether the Connected Product is capable of storing data on-device or on a remote server, including the intended duration of retention.

Robotic products can be stored on-device using our company option products.

PC products can be stored on the device as an external storage medium.
The retention period is the length of time a stored device can be retained.

- (d) How the User may access, retrieve or, where relevant, erase the data, including the technical means to do so, as well as terms of use and quality of service of such technical means.

Refer to our company manual.

- (e) Changes to This Information Notice

This Information Notice may be subject to change due to new legal requirements, company decisions, or technological developments, and we may revise this document accordingly. The most up-to-date version is available on our website. External links to third-party websites or contact information may change over time. If you find any information that has not been updated, please let us know.
