

Kawasaki Robots now offering financing solutions through Mitsubishi HC Capital America

Why Finance With Mitsubishi HC Capital America?

- 0% down & no payment for 6 months
- 12-84 month terms
- 100% financing including soft costs such as shipping, rigging, software, electrical, etc.

FMV Lease Option

- Lower monthly payment
- Expense monthly payments **WITHOUT** impact to your capex budget
- Offers the most flexible end of term options:
 - Return the equipment
 - Purchase the equipment
 - Refinance the purchase
 - Continue to lease on a month to month basis

Boost Your Tax Savings with Section 179

- Thanks to the One Big Beautiful Bill (OB BB), you can now deduct up to **\$2.5 million** on eligible equipment and software.
- With a new phaseout cap of **\$6.5 million** and inflation indexing starting in 2026, it's the ideal time to invest in your shop floor, reduce taxable income, and boost productivity.
- **Modernize. Save. Scale.**
