50,000 Visitors at Kawasaki Robostage

Since its opening in August 2016, “**Kawasaki Robostage**”, a public showroom for robots, was visited by 50,000 people in less than 2 years. It shows high concerns about robotics in the public. Thank you for your visit. As we renew exhibits from time to time, please visit us again.

If you have not visited yet, please come and enjoy. You need no reservation. Admission free.
