

# Kawasaki Robotics e-News

## iREX 2017

### International Robot Exhibition

The 2017 International Robot Exhibition (**iREX 2017**) will be held from November 29 to December 2 at Tokyo Big Sight.

This year, we celebrate the 50th anniversary of our robotics business. We plan to showcase many new robots, technologies, and exciting attractions. Please visit Kawasaki booth (East Hall 5 IR5-22) during your visit to iREX.

## Kawasaki robots in an event at Nissan showroom

Kawasaki robots took part in an interesting event at the Nissan's showroom in Ginza, Tokyo from October to the beginning of November. Two Kawasaki's R series robots formed a urethane-made raw material by carving and painted it to create a concept car model.

Carving urethane-made raw material.

Painting colors to finish a car model.
